## Trike Conversion Kit for Harley Davidson Sportster™

**Adding more LIFE to your riding years... and more YEARS to your riding life!**

Introducing California SideCar's newest Independent Suspension trike for the Harley Davidson family of motorcycles. This unique trike is designed exclusively for the Sportster model and maintains the small, compact styling of the motorcycle itself without sacrificing performance and handling. Standard features include remote wireless trunk entry and LED tail lights.

4+ cu. ft. Storage Capacity

*\*Optional Performance Brake*

*\*Choice of 5 Wheel Designs*

## Independent Suspension

- Performance designed independent suspension with vertically stabilized opposing Rocker Mono Shock
- Shock Spring: QA1 300 lb linear wound racing spring designed to accommodate up to 650 lbs plus optional preloader

## Drivetrain

- Twin reduction jackshaft belt drive with 50mm Gates performance belt kit and new purpose designed sprockets

## Disc Brake System

- Standard: Alloy calipers with 11.5" purpose designed rotors
- Performance Brake (optional upgrade): Custom designed nickel plated drilled rotors with a custom four piston billet caliper. Calipers are brushed aluminum, red anodized and engraved with "CSC"

## Optional Accessories\*
